

Beautiful, private setting

Set in a quiet, open environment on a private property offering a comfortable and relaxing ambiance, participants rated the overall experience of Thai Massage Learning Vacation 9.8 out of a possible score of 10.

Knowledgeable teachers

Participants of the Thai Massage Learning Vacation will learn and acquire the Foundation of Thai Massage taught by graduates of the Thai Government Certified Thai Massage Professional and Teacher Training Program.

Program Outline:

Thai Massage Learning Vacation

5 days/30 hours/CAD \$695 (+GST)

Participants will acquire Thai Massage skills for personal benefit and lay the foundation for further studies. Students learn hands-on techniques to relieve tension, stress, and fatigue, stimulate circulation and restore vitality to the entire body through Thai massage pressure points. Students will learn the 134 positions for a full body massage, in a hands-on learning environment. The instructor will introduce participants to the Eastern philosophy of healing and the Thai “Sen Sib” (or ‘meridians’) and pressure points.

Program includes:

- Workbooks available in English and Thai, Japanese, Chinese, Spanish, German or Russian.
- A diploma issued to participants from Thailand under authorization by the Thai Ministry of Education upon satisfactory performance in the program.
- Daily complimentary pick-up and drop-off from within 30 minutes of learning venue.
- Daily complimentary freshly prepared and home cooked lunch and snacks served by caring and attentive hosts.
- A unique souvenir for each participant to take home
- Our commitment to inspire the participants to enjoy a healthy and happy lifestyle.

A 2500-year-old tradition

Located in Burnaby, British Columbia, our center and the teachings we promote are based on a 2500-year-old tradition handed down through generations in Thailand. Our mission is to provide hands-on skills in authentic Thai Massage for safe practice to massage practitioners and the public.

Authentic instruction

The only place outside of Thailand where you can learn authentic Thai massage authorized by the **Thai Ministry of Education**, while being pampered with care and attention.

Effective learning techniques

We offer a fresh and effective approach to learning the skills and techniques of Thai massage through our unique PESOF training system in a small group setting, limited to a maximum of 6 participants per class.

Here's what some of our participants have to say:

"I am feeling much better about life in general since my time in Vancouver. Amazing what one week will do for a person."

~Tracy Moody, Alberta, Canada

"Good way to spend a vacation."

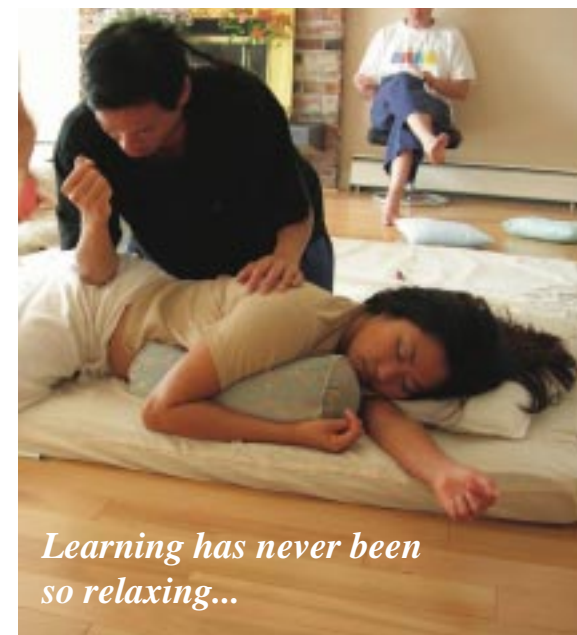

~Sue Kim, Korea

"Relaxed atmosphere, simply excellent"

~Pei Lee, Taiwan

"I had a great time. I learned lots while remaining relaxed the entire time. It felt like both a course and a vacation!"

~Jeet-Kei Leung, British Columbia, Canada

Learning has never been so relaxing...

Thai Massage Learning Vacation

5-days/30 hours

Experience a hands-on, practical approach to learning authentic Thai Massage, that feels like a week-long vacation and course combined.
